

JOHN DOE

Singapore | +65 8123 4567 | john.doe@email.com | linkedin.com/in/johndoe-finance

Second-year finance student with practical exposure to financial analysis, markets research and student-led projects.
Seeking internship opportunities in corporate finance, banking, asset management or related fields.

EDUCATION

National University of Singapore (NUS) — B.B.A., Finance

Aug 2025 – May 2029

Relevant coursework: Financial Accounting, Corporate Finance, Business Analytics, Economics | CAP: 4.1/5.0

River Valley High School — GCE A-Level

2024

Economics, Mathematics, Chemistry; participated in Economics Society and school service projects.

EXPERIENCE

Finance Intern — Brightway Logistics Pte. Ltd.

May – Jul 2026

Singapore

- Supported the finance team with monthly expense tracking and reconciled invoice records against internal spreadsheets.
- Built a simple Excel dashboard summarising departmental spending and month-on-month variances for management review.
- Assisted with competitor and industry research for an internal budgeting discussion; presented findings in a concise slide deck.

Part-Time Operations Assistant — Campus Café

Jan – Apr 2026

Singapore

- Handled point-of-sale transactions, end-of-shift cash reconciliation and basic inventory counts during weekend shifts.
- Worked with a four-person team during peak periods and helped reduce order errors by maintaining a clearer handover checklist.

LEADERSHIP & ACTIVITIES

Analyst — NUS Investment Society

Sep 2025 – Present

- Attend weekly equity research sessions covering valuation, industry drivers and investment theses for listed companies.
- Co-authored a student stock pitch on a Singapore-listed consumer company, contributing comparable-company analysis and key risks.

Project Member — NUS Finance Case Competition

Feb 2026

- Worked in a team of four to analyse a fictional acquisition case, building a basic three-statement forecast and presenting a recommendation to student judges.

PROJECTS

Personal Equity Research Project

2026

- Created a basic DCF and comparable-company valuation for a large-cap public company using annual reports and publicly available market data.
- Wrote a two-page investment note summarising revenue drivers, valuation assumptions, catalysts and downside risks.
